

PRIMA TRADING

HISTORY & PHILOSOPHY

Prima Trading is a company that boasts a wealth of knowledge, skills, and experience gained from tackling a wide range of complex projects in the fields of contracting, industrial engineering, and biosystems engineering. We have particular expertise in areas such as civil engineering, mechanical, electrical, and plumbing (MEP) work, fire stopping, and waterproofing.

Our objective is to provide our clients with an “I am” assured experience when we are chosen to execute the projects. Our emphasis on clear communication and follow-through procedures ensures the client’s objectives are top priority in the planning and execution of all our processes.

Our project management and execution philosophy is:

- ⚙ Create detail schedule and resources plan to meet client’s project objective,
- ⚙ Communicate clearly with all project stakeholders,
- ⚙ Track project progress and fine-tune deviations,
- ⚙ Supervise closely on quality of work done,
- ⚙ Complete and commission the project on time.

We take pride in our delivery, thus our client can always be assured that only the most experienced and qualified people are serving them, all the time.

OUR VISION

At Prima Trading, our goal is to establish ourselves as the go-to choice for our customers. We strive to achieve this by assembling a highly skilled and experienced team, and by consistently exceeding expectations through superior service and unparalleled results. Our vision is to be known as the premier provider in our industry through our unwavering commitment to excellence.

OUR MISSION

To procure projects at competitive pricing, provide safe working conditions and deliver quality work within reasonable time frame.
